

Wipro's Fifth Earthian Campaign

IT major Wipro on Thursday announced

the 5th edition of Earthian, a nationwide sustainability education programme for schools and colleges. A new feature this time is to invite students aged 9-13 to write about their experiences with nature. Two best stories in English and Hindi will be published with a foreword by noted author Ruskin Bond and actor Aamir Khan. For details, visit www.wipro.com/earthian
