Wipro Launches GitHub Center of Excellence to Accelerate AI Innovation

BENGALURU, India | EAST BRUNSWICK, N.J. – April 24, 2025: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading technology services and consulting company, today announced the launch of its GitHub Center of Excellence (CoE) in Bengaluru. The CoE, as part of Wipro's [ai360](#) initiative, will serve as a central hub for GitHub-related innovation within Wipro.

This CoE will use advanced tools to enhance collaboration, learning, and efficiency among development teams. Integrating GitHub tools, including Microsoft M365 and GitHub Copilot, into the software engineering process will enable Wipro teams to drive greater productivity and innovation at scale, providing exponential value to clients.

“The launch of our GitHub CoE highlights our commitment to championing a culture of an AI-first mindset with the right skillset and toolset among our workforce,” said **Sanjeev Jain, Chief Operating Officer, Wipro Limited**. “We are equipping our developers with the best tools and practices and encouraging a culture of innovation to build future ready AI-powered industry and cross-industry solutions that solve our client’s unique business challenges.”

Kyle Daigle, Chief Operating Officer, GitHub, said, “Wipro has long been a pioneer in innovation, and by rolling out GitHub Copilot at scale, they’re showing the world what true transformation with AI looks like. The GitHub CoE is more than an investment—it’s a blueprint for building with AI at the core. We’re proud to build this future together, with the right tools, ingenuity, and a shared belief in what developers can achieve.”

The CoE will have a dedicated team of AI champions, who will receive comprehensive training and support to ensure proficiency in using GitHub and its associated tools. The GitHub CoE will enhance Wipro's teams' skills, enabling efficient delivery of high-quality industry-focused solutions. Standardizing development practices will reduce time-to-market and improve deliverable quality, benefiting clients with faster delivery, better collaboration, and stronger solutions.

To equip Wipro associates with GitHub expertise, the CoE will offer training initiatives, including workshops, hackathons, codeathons, and meetups. Additionally, the CoE will create a Community of Practice to promote knowledge exchange and cross-team collaboration through GitHub Champions and subject matter experts.

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading technology services and consulting company focused on building innovative solutions that address clients’ most complex digital transformation needs. Forward-Looking Statements

The forward-looking statements contained herein represent Wipro's beliefs regarding future events, many of which are by their nature, inherently uncertain and outside Wipro's control. Such statements include, but are not limited to, statements regarding Wipro's growth prospects, its future financial operating results, and its plans, expectations and intentions. Wipro cautions readers that the forward-looking statements contained herein are subject to risks and uncertainties that could cause actual results to differ materially from the results anticipated by such statements. Such risks and uncertainties include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, complete proposed corporate actions, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property and general economic conditions affecting our business and industry.

Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission, including, but not limited to, Annual Reports on Form 20-F. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
